Closest singers, models, stand-up comics and dance enthusiasts of St. Mary's College, Secunderabad had a time of their life when the Oppo Hyderabad Fresh Face auditions reached its campus recently. Close to 50 students showed what they got to impress model **Manisha Patil**, who was the judge for the day. In front of a 300-odd strong audience in the auditorium, the contestants displayed their creative side and vied for top honours in the coveted competition. While **Shaleem Teja**, first year B Com student, won the first prize among the boys for his energetic solo on one toped, **Adrian Peters**, second year BBA student, was ad-

judged the runner-up for his heart-touching rendition of Enrique Iglesias' *Hero and Do You Know*. If music ruled the competition among the boys, it was energetic dance performances that helped **Manisha** choose the best among the girls. **Diendra M**, first year B Com, walked away as the winner for her enchanting dance performance on *Jo Bhe Ji Thi Dna* and was closely followed by her classmate and runner-up **P Shriya**.
